Movie Time

The Peanuts Movie

Your local autism support groups (SAFE & Liv With Autism) invite children with autism and their families to enjoy a free movie at Movies 14 in Wilkes-Barre on Saturday, December 5, 2015 at 11 AM. This is a private viewing; the theater will be reserved for our support groups. Please note: The theater has a sound-proof booth in the rear if needed.

This is a perfect chance to try something new and even sharpen our children's social skills. Let's get out, work together, and also have a great time! This is a free event! Doors open at 10:15 AM.
